President's Letter

Congratulation to Ed Knight & Mark Occhipinti for winning our Memorial Tournament and to Ed Knight & Mike Mayeski for winning the Andy Olexovitch Over/Under Tournament. Also to Gail Comerford for winning the Ladies Memorial Tournament .

Kudos to Marty O'Hora, Ron Donati & Al Finella for scoring a hole in one.

I would ask that our members start policing themselves and the group that they are playing in, as we still have a big problem with unraked traps, ball marks and divots. I really don't see why this continues to happen. **TO ME, IT'S JUST SHEER LAZINESS!**

There has also been a problem with the new range balls disappearing at an alarming rate. I understand there are outside tournaments, but it is not just outsiders. If you want to have old beat up range balls to hit, we can certainly accommodate you. In the end, it will only cost more money for us all. Please take some pride in our club and keep it enjoyable for everyone.

Good luck to everyone that will participate in The Rick Barone Invitational this year.

Finally, I would ask that all members and their guests follow our simple rules to keep Elmhurst the best around. Take some pride in your club.

As Always, Stay Safe—Stay Healthy
Jack Sohns – ECC President

Board Notes

Membership: Chairman Heller presented the following: There were no Senior Applications, No requests for a Leave of Absence, No Social Applications. Request from Bill Giello to transfer Membership from Honorary to Non Playing Honorary was approved.

Parking Areas Reminder

We would ask that everyone park in designated areas of our lot. Making "your own spot" creates another safety concern for anyone negotiating the property. If someone gets injured because of not being able to see and your vehicle has contributed to the mishap, you could be held accountable.

Jim Lanza—Course Superintendent

Summer has arrived in full force this year. We are currently gearing up for the The Barone Invitational. While prepping for a tournament we are always keeping a close eye on the weather. They are predicting a little rain on Friday but the weekend looks great.

We have a long season ahead of us, let's hope Mother Nature plays nice this year!

As always please don't forget to fix your ball marks! As much as we mention it and try to get the point across, it seems as though the ball marks left untouched each morning as we start our maintenance are getting worse and worse. Number 7 and 13 are at the point where we may have to do some plug work. Which is a shame!! Hopefully we can make improvement as the season rolls on! It's too early for us to be thinking about plugging out ball marks!!

See you on the course!
