ECC billing is moving forward in an effort to go to
paperless billing. Paper statements will no longer be
mailed, you can view your statement on line. If you
require a paper statement please contact the office. The
calendar & newsletter can be viewed on Clubster.

Remember to follow all the Clubster announcements
for upcoming events in August.

To all members and their guests, please adhere to the
dress code to eliminate any awkward situations arising
from non compliance.

As always, fix your divots, ball marks and rake the
traps after hitting your shot. This shouldn't have to be
said every month, but still it is a problem!

Finally, I would ask that all members and their guests
follow our simple rules to keep Elmhurst the best
around. Take some pride in your club.

As Always, Stay Safe—Stay Healthy

Jim Lanza—Course Superintendent

Summer has arrived in full force this year and with the
above average temperatures and no rain we have been
busy using our irrigation system and watering by hand
where needed.

Let's hope this favorable weather continues and we
have a great rest of the summer as there are many great
golfing days left!

As always please don't forget to fix your ball marks! As
much as we mention it and try to get the point across, it
seems as though the ball marks left untouched each
morning as we start our maintenance are getting worse
and worse. Number 7 and 13 are at the point where we
may have to do some plug work. Which is a shame!!
Hopefully we can make improvement as the season rolls
on! It's too early for us to be thinking about plugging out
ball marks!!

See you on the course!

Skeeter's Scuttlebutt
