April 2023 Newsletter

President's Letter

Members! Welcome back, the golf season has arrived. The staff at ECC has been working hard over the past few months preparing for a great season. While on the golf course, please pay attention to the cart directional stakes, replace divots, rake sand traps and fix ball marks.

As we enter the season, I want to remind all members of our dress code. Proper golf attire is required; men must wear a collared, tucked in shirt, baseball hats must be worn facing forward while on property and are not allowed in the upper trap, lower trap, or banquet room. Jeans are allowed in the clubhouse anytime but are not permitted on the golf course, please remind your guests of our dress code.

Twilight and scratch leagues will be starting soon, and Opening day weekend is scheduled for April 22nd and 23rd.

The kitchen is now opened on a regular basis from Tuesday thru Sunday, please call for reservations.

As always, I ask our membership to spread the word about Sr. Golf Memberships available at Elmhurst Country Club. If you know anyone interested, please reach out to the office to get an application.

Looking forward to a great season and seeing everyone!

Michael Brozzetti – ECC President

PS2 Colby Nicholas Rydzewski. New Social Robert Haas, Matthew Roller, John Forrest and Social with a Junior Carrie Rickert. Junior resignation Emma Nemitz.

Jim Lanza—Course Superintendent

Spring time is in full swing at Elmhurst. Our department has been busy getting the golf course prepared for opening. We were able to complete aerification ahead of schedule and get the golf course open earlier than anticipated. We are in the process of wrapping up all of our fall and winter projects. We received our first load of sod this spring to start the completion of these projects. Our second load of sod should arrive next week to complete these areas.

If you play golf in the first few weeks of April you will see how much area of “cart path edges” we have prepped. These areas get regrassed just about every year due to the amount of cart traffic we have. This is the main reason we try to stress keeping all 4 tires on the blacktop whenever possible!! We will be doing some paving work in April as well. Please use caution this spring as work is being completed. It's very important that cart directional markers and stakes are followed! I'm looking forward to seeing everyone out on the golf course soon!

Skeeter's Scuttlebutt

As always our hours are depending on the weather and if we have reservations please call to make sure we are open. Constant reminder Reservations are Required. Please call the club at 570-842-7691. You will be able to see all the days and hours of operation for the bar & kitchen, as well as our weekly dinner specials and any upcoming events on Clubster.

ECC Ladies 'Fore'um

Congratulations to our Association member, Kathy Hughes, who is now on the Social Committee and Food & Beverage Committee! We're looking forward to seeing everyone on Saturday, April 15th for our Spring breakfast/meeting. Hopefully it will be warm enough to golf afterward. The portal will open soon to sign up for our Opening Day Captain & Crew Tournament which is Saturday, April 29th. It will be great to be golfing at the club again! Welcome to our new member Riley Price!
